ServSafe®, Level 2 Manager Certification

This course is for the Person In Charge (PIC), management team members, chefs and everyone who handles food. Taking this course and passing the exam taught by Ken Sharkey, will result in you obtaining the Manager Certification from the Ohio Department of Health. This is the certification the local health department requires of an establishment that cooks and/or prepares food.

Course Features:

- Proper storage, preparation, and service
- Employee Hygiene
- Vital Food Safety Practices
- Foodborne illness
- Food Safety Management System
- Sanitation

This course occurs over two days with a test at the end of the second day. If you have any questions about this course, or would like a private course **contact Ken Sharkey at 513-470-9264**. The fee is not refundable, class size is limited to 18 people. **Registration and payment are due 10 days before the class.**
